

MADCP

Mississippi Association of Drug Court Professionals

Dear MADCP Supporters,

We would like to cordially invite you to participate in the 2023 Mississippi Association of Drug Court Professionals Annual Conference. We are excited to be back in Oxford, Mississippi this year and visit its beautiful city. The Planning Committee has been hard at work to provide a great learning opportunity for over 300 attendees expected to attend. We know that this conference would not be possible without your support, and we would like for you to take a moment to consider becoming a part of our event by being an exhibitor!

This year's agenda will include presenters from many different disciplines, including speakers from the National Drug Court Institute, National Drug Court Resource Center, Mississippi Bureau of Narcotics, and many more! Sessions will include information regarding Behavior Modification, best Practice Standards, Specialized Populations, Topics in DWI, Recovery Support, Roles in Treatment Court, Self-Care For Professionals, Addressing Trauma, Substance Use Treatment, Topics in Drug Testing, Evaluating your Programs. Continuing Education credits will be offered for Legal Education (CLE), Social Workers (SW), Licensed Professional Counselors (LPC), Licensed Marriage and Family Therapists (LMFT), and Law Enforcement Officers (LEO).

The Exhibit Hall is a popular part of the conference each year. Numerous breaks, breakfasts, and receptions offer you as an exhibitor multiple opportunities for connecting with attendees. Skirted tables will be provided, and electrical access will be available on request. Don't miss the chance to network with court officials, lawyers, counselors, law enforcement officers, and others across Mississippi!

Attached, you will find a listing of the different levels of support opportunities, which will further the exposure of your products/services. Please remember that exhibit space is limited, and booth locations will be assigned based on your sponsorship level and the date your registration is received. For more information about our conference, please visit our website: www.msdrugcourts.org.

If you have any questions about the exhibit's general information or payments, please contact Gwendolyn Norwood at 601-668-8343. Logos should be emailed to msdrugcourts@gmail.com. Registrations should be received by August 1, 2023. We look forward to working with you!

Gwendolyn Norwood,
Vice President MADCP
